

No Payments, No Interest

While Deploying Your Cisco Unified Communications or Telepresence Solution

Cisco CapitalSM offers special financing that allows you to acquire Cisco[®] Unified Communications and TelePresence solutions with no payments and no interest during the deployment period.

Conserve resources and gain business benefits by acquiring your Cisco solution with no upfront investment. You get the technology your business needs to be more efficient and pay nothing, for up to 120 days, while your new solution is being implemented. In addition, Cisco Capital will pay the reseller on your behalf.

Customer Benefits

- Make no payments during solution deployment, up to 120 days
- Accrue no interest during solution deployment, up to 120 days
- Acquire critical solutions with no upfront cash investment
- Align your project investment to the technology benefits and accelerate ROI
